

# Codes of Conduct

## Officials and Volunteers

Adherence to the Code of Conduct, and any associated policies and procedures that may be introduced or updated periodically, is a prerequisite of WCPSC membership.

- At all times adhere to the ASA Code of Ethics, Rules & Regulations.
- At all times adhere to Wavepower, the ASA Child Safeguarding Policy & Procedures.
- At all times adhere to the ASA Equality Policy. Adhere fully to the role and job description as outlined by the club and never use that role to gain favour for you or any individual swimmer.
- Consistently display high standards of behaviour and appearance.
- Treat all swimmers with respect and dignity, value their worth and treat everyone equally recognising their needs and ability within the context of the sport.
- Encourage and guide swimmers to accept responsibility for their own behaviour and performance.
- Encourage all swimmers to obey the spirit of the rules & regulations both in and out of the pool.
- Never encourage or condone swimmers, volunteers, officials or parents to violate the rules of the club or the sports and report any violations appropriately.
- Observe the authority and the decision of the officials and only question those decisions in the appropriate manner.
- Treat all competitors and other club teams with respect, whether that is in victory or defeat and encourage all team members and fellow club members to do the same.
- Refer all concerns of a child safeguarding nature in line with the procedures contained in Wavepower.
- Continue to seek and maintain your own development in line with your role and complete a Safeguarding Children in Sport course, if appropriate to your role.
- Treat all information of a personal nature about individual swimmers as confidential, except in circumstances where to do so will allow the child to be placed at risk of harm or continue to be at risk of harm.

It may be necessary to discuss the club codes or breaches of the code with officials and volunteers from time to time. A refusal to meet club staff on this matter would, of itself, be considered a breach of the Code.
